

# **Loft House Project**

## **Paint Box for each house 3/07**

- 10-12 disposable Paint brushes (1 inch to 3 inches)
- 5-7 Foam paint brushes for getting the cracks
- 4 Paint rollers with med to heavy nap
- 4 paint roller handles
- 4 plastic paint roller trays
- 4 x 1-gallon plastic paint buckets
- several plastic grocery bags, for keeping brushes moist at lunchtime
- Several small rags
- 2 large plastic bags for disposing of spent brushes and roller covers.
- About 8 disposable latex gloves
- 1 caulk gun for sealing above and below all trim
- 3 tubes of paintable caulk
- 1 large paint stirring stick
- 1 small
- 1 Screwdriver to open the paint can
- Band aids

The actual paint we take down in 5 gallon buckets. We include a gallon of contrasting paint for the trim.

NOTE: We usually leave any extra paint for the family, and discard the used brushes, and rollers, and return the roller handles.
